

The background is black and features several colored squares. A solid blue square is in the top right corner. On the left side, there is a cluster of squares: a blue one at the top, followed by a pink one, then a pink one and a red one, then a blue one and a red one, and finally a red one and a pink one. A single blue square is also located at the bottom center.

# IRON SIDE

# About

Situated in Miami's Upper Eastside, Ironside is a uniquely mixed-use urban center developed by visionary Ofer Mizrahi.

It has 60+ design showrooms, event spaces, boutiques, restaurants, and galleries.

It is beautifully landscaped with Rainbow Eucalyptus trees and dotted with South Florida native honey bee and butterfly patches all throughout its pathways, making it a vibrant and unique destination for all visitors.
